WILD ABOUT ANIMALS?

ECOMUSEUM ZOO NATURE CAMP

2022 Edition

NATURE CAMP

This unique camp provides a "hands-on" approach to nature. Small groups of campers have a chance to interact with animals and discover nature.

Children will learn how to care for animals and observe their behavior. They will discover a forest ecosystem, will learn to identify insects, and will even take their first steps in wildlife conservation!

Camps are from 9 A.M. to 4 P.M.
FOR CHILDREN 6 TO 11 YEARS OF AGE
Maximum 15 participants per group

Reserve early!

ADMISSION CRITERIA

Each session has a set age requirement. Children must be of the age required by the last day (Friday) of the session for which they are registering.

Children must be fluent in the language of the session for which they are registering.

A child may be registered in only 1 session per season.

HOW TO REGISTER

To register one or more children for a session, you must complete one registration form per child (copies accepted). You may pay by cash, cheque, Visa, MasterCard or Interac.

Registration forms will not be accepted if the child's medicare number is not included.

Subject to availability, a child's registration may be changed from one session to another for a fee of \$20.

METHODS OF PAYMENT

Payment must be made in full upon registration. No post-dated cheques will be accepted.

A transaction receipt will be issued to you at registration at no charge.

REFUND POLICY

If, for any reason, the Ecomuseum Zoo must cancel a session, a full refund will be given.

If your child is registered and cannot attend camp, you will receive a refund of 90% of the total registration fee if you cancel on or before May 31st, 2022.

From June 1st, 2022, no refund will be granted unless canceled due to illness (with a doctor's note) or a positive Covid-19 result declared less than 5 days before the child's participation in the Nature Camp.

We reserve the right to expel a child from the camp without reimbursement if their behavior hinders the smooth running of the camp or if the sanitary measures are not respected by the child or the parent.

*Registration is not transferable.

SANITARY MEASURES

The safety of camp participants, our volunteers, our staff and the animals in our care is our priority.

The Ecomuseum Zoo vows to put in place all the sanitary measures required by Public Health at the time of the camp and to ensure that everyone complies with them at all times.

The sanitary measures in place will be communicated to parents as soon as possible, according to the rules established by Québec's government and the National Institute of Public Health.
