

WILD ABOUT ANIMALS?

ECOMUSEUM ZOO NATURE CAMP

2024 Edition

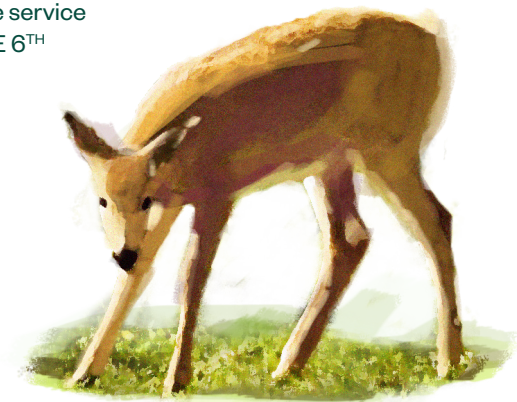

NATURE CAMP

This unique camp provides a “hands-on” approach to nature. Small groups of campers have a chance to interact with animals and discover nature.

Children will learn how we take care of the animals and to observe their behavior. They will discover a forest ecosystem, will learn to identify different species, and will even take their first steps in wildlife conservation!

Camps are from 9 A.M. to 4 P.M. - No day care service
FOR CHILDREN FROM GRADE 1ST TO GRADE 6TH
Maximum 15 participants per group

Book early!

From May 1st, 2024, no refund will be granted unless canceled due to illness (upon presentation of a medical certificate).

We reserve the right to expel a child from the camp without reimbursement if their behavior hinders the smooth running of the camp, if the code of conduct is not respected, or if the sanitary measures are not respected by the child or the parent.

SANITARY MEASURES

The safety of camp participants, our volunteers, our staff and the animals in our care is our priority.

The Ecomuseum Zoo vows to put in place all the sanitary measures required by Public Health at the time of the camp and to ensure that everyone complies with them at all times.

The sanitary measures in place will be communicated to parents as soon as possible, according to the rules established by Québec's government and the National Institute of Public Health.
