

# PRESENTATION: THE ECOSYSTEMS OF QUEBEC

Travel with us through the province and the different ecosystems it shelters: tundra, forests, rivers...  
Discover the animal interactions that make up the ecosystems that surround us, and the importance of biodiversity in maintaining these links.

Live animals, artifacts and other visual aids will accompany the presentation.

- Format:
- 1 At the Zoo with guided tour
  - 2 Our zoologists visit your classrooms
  - 3 Virtually
