A neighbor plants a vegetable garden without including a fence to keep you out. Mmm, salad!	There is a safety fence around a pool! It takes longer to go around but at least you can go around safely.	You smell a red fox. It smells a bit like a skunk, but is more worrying for you!	Your huge ears hear a loud noise!	A toxic pesticide has been applied to the grass.

Someone has left a clean dish of water on the ground during a heat wave. How refreshing!	You find a delicious dandelion flower. Yum!	Soccer season has started! You must avoid the area.	A dog approaches but he is on a leash! You continue safely on your way.	It's a weekday so no one is cutting the grass. Hooray!

The humans have trimmed their trees and left the fresh branches out for pickup. You enjoy nibbling them!	You find a great hiding spot underneath a porch. Cozy!	There's a lot of traffic! You prefer when the humans take public transit.	Someone slams a door. What a loud noise!	There is an oil spill from a badly maintained car. Yuck!
