

ZOOlympics in the garden!

Challenge each other to see if you measure up to Quebec's wildlife!

- Head outside on your tiptoes like a deer mouse!
- Leap forward like a lynx! Can you leap 6.5m in one leap like the Canada Lynx can?
- Jump high like a red fox! Can you leap up to 2m in the air like a fox can?
- Sprint like a coyote! How many seconds do you need to get from one side of the yard to the other? A coyote can run up to 60km/h!
- Collect resources like a squirrel! How quickly can you collect ten different rocks?
- Camouflage yourself like a toad! What area of the garden best matches the colours of your clothing?
- Phew! The ZOOlympics are exhausting! Take a break by resting on one leg like a sleeping duck. How long can you keep your balance for with your eyes open? With your eyes closed?
